EDUCATION

Moradabad Institute of technology	(August 01, 2018 - September 03, 2022)	U.P. Board	(August 01, 2017 - April 14, 2018)
B.tech, Mechanical		12th, Science	

PROJECTS

Mail-App	(August 14, 2023 - August 29, 2023)
NamasteMail, an innovative mail app, is crafted using ReactJS for a dynamic and user-friendly interface, while Material UI adds a touch of elegance to its design. With Firebase Cloud Storage, we ensure secure authentication and a robust backend, guaranteeing the safety and reliability of your data, making your mailing experience seamless and efficient.	
🔗 https://namaste-mail.netlify.app	
E-Commerce-app	(July 27, 2023 - July 11, 2023)
A project designed to deliver a modern and delightful shopping experience. We've harnessed the power of popular technologies like React, Node.js, Tailwind CSS, Redux, React Toastify, and Google Firebase for the backend to create a seamless platform for our valued customers.
